**AGENDA**

**1 APOLOGIES FOR ABSENCE**

**2 MINUTES**

To agree the Minutes of the meeting held on 29<sup>th</sup> March 2016 (on Club web site).

**3 ACTION FROM THE LAST MEETING**

- (a) Progress on arrangements for second trip to the Velodrome
- (b) Communication with Members

At the last meeting it was noted that the Forum was being used very little with most Members preferring Facebook. It was agreed to review the position in 6 months time.

(Note: It was decided that the possible creation of an on line shop and future arrangements for reliability trials should be considered at a future meeting)

**4. CLUB RUNS**

To consider a suggestion from Graham that arrangements be made for an additional club run at a slower pace. This would run from Boots at Uckfield at 8.45 in the summer or 9.15 in the winter and meet for elevenses with the earlier group. An exception would need to be made for the longest rides. Graham is prepared to arrange a roster of leaders with the idea being that they would only need to lead a run every 4 – 6 weeks. He would also identify when we need to choose a shorter ride. The aim is to encourage newer and older members who may find it difficult to keep pace with the existing run.

## **5 MUGS AND ACCESSORIES FOR CYCLING CLUBS**

We have received an approach from Keith Butler who can supply mugs, coasters, key rings and fridge magnets for cycling clubs. He is offering mugs to our design for £2.75 each plus delivery. Any number can be supplied. The suggested order is 36 mugs for £109 inc delivery. He is at <http://www.mugworks.co.uk/>.

Is this something worth exploring?
