AGENDA

1 APOLOGIES FOR ABSENCE

2 MINUTES

To agree the Minutes of the meeting held on 24th January 2017 (on Club web site).

3 ACTION FROM THE LAST MEETING

(a) Arrangements for second trip to the Velodrome (Graham)

Now arranged for 9th May

(b) Communication by Members with the Committee

Since the last meeting there was some criticism over the premature release of entry information for the Crits by British Cycling. This was dealt with promptly and Brett has published guidelines for communications on Facebook. To consider whether any further action is needed at this time.

This is also linked to the next item.

4 USE OF FACEBOOK

Chris Hough has asked the Committee to consider the use of a different forum to Facebook as he finds it personally intrusive and really doesn't like using it. He finds it difficult to keep up with club information without Facebook. His views are strengthened by some of the critical comments that have been made on Facebook

There is of course the Club Forum but which has fallen into disuse.

5 SUBSIDY FOR NOVICE ROAD RACE TRAINING

Kate Thomas has asked the Committee to consider subsidising the training days which Members are encouraged to undertake before racing. She recently attended a session at Ardingly and found it very beneficial, not only as training for a road race but also learning how to ride in a pack, safe cornering techniques etc. She recommends it as a training aid for everyone. The cost is £20.

6 SECOND CLAIM MEMBERS

Brett has asked about the rules surrounding 2nd claim members and their ability to represent the club at events. He understands that currently, a 2nd claim member cannot race or TT as a LWCC member which is something other clubs allow.

He questions why the rule is there and if it is something we could change to fall into line with other clubs.

This is not covered formally within the Club Rules.
