

## Lewes Wanderers Cycling Club - Evening Crits - Round 2 - 8/06/17

**Race Synopsis:** The primes were hotly contested from the first one on lap 2. Seeing a gap on the right Darren Haynes thought it good to make an early push to the prime to prevent the same contenders and to aid team mate Cameron Cragg's hunt for points. With only Shane Pope's name appearing more than once in the primes the points were shared out. Shortly after the lap 4 Prime, a 5 rider group got away from the bunch. With 4 main teams represented in the break including Dan Street - Lewes Wanderers, Nigel Langridge - Crawley Wheelers, Steve Coombs - Sussex Revolution and Ben Huttly - Brighton Mitre attempts to draw them back were half-hearted despite calls from those not represented.

The breakaway kept a 34 second advantage heading into the last lap. They only appeared in the crosshairs of the chasing peloton in the last 2km. With the peloton wanting their share of the points the chase jumped into action after seeing that no one in the break wanted to lead in the final 250yds. 4 of the 5 break riders made over the line leaving the 5th to be passed by the sprint group from the peloton.

Ben Huttly - Brighton Mitre took the race win and with 3 points from the primes he is now second on GC.

John Cordner remains top of the GC after securing 3 points from the Primes but with 5 riders within 4 points and with all points doubled in the last crit one can only guess at a likely winner.
